*The  
Ipoh  
Clubber*

## From the Editor's Desk

Dear Members,

I am pleased and privileged to pen my very first editorial message for our jazzed-up and revamped Club bulletin, 'The Ipoh Clubber'. The half of 2019 has unfolded with some noteworthy events and developments for the Club. Our heartiest

best wishes to Dato' Thong Fah Chong, our new President, and his committee. I wish him and his team all the best as the Royal Ipoh Club marches towards greater pinnacles under the guidance of his leadership.

A warm welcome to all new Club members. We look forward to value-adding contributions to the Club in all aspects possible from time to time. Royal Ipoh Club is indeed privileged to have its family growing with diverse backgrounds and experiences.

The Club has occasionally been occupied with events that have inspired much bond among members over the years. The Club is proud to be organizing, once again the glorious blend of culture, entertainment and a well-deserved commemoration of the nation's history of independence, end of August 2019. Further details on the 'Merdeka Day Celebration' could be found on page 5 of this bulletin.

A brief review of the Club's 2019 past events; the historically momentous unveiling ceremony of war memorial plaque by the Australian High Commissioner which was held on the 15th of June 2019; acknowledging elderly members of the Club, Veteran Lunch was thrown in on 16th February 2019; continuing the legacy of recognizing how essential and influential sports are, Sports Night was held on 12th April 2019, not forgetting Darts Competition back in the month of May, June and July 2019; the monthly Medal of British Pool also held in June 2019; and month of June 2019 also witnessed the 2nd Koo Kim Kuang T10 Trophy. We thank all participants and congratulate all champions! The bulletin has incorporated pictures of those events, sharing moments worth cherishing.

Be headed to the library at your spare time as we have had a must to be read book contributed by our very own Mr. Josob Asirvatham, "The Lives of John Lennon", synopsis of which is available on page 11 of this bulletin.

To those who has been missing out promotions offered by the Club, fright not, as we made it a deal to highlight those too.

On a final note, our deepest condolences to the recent departing members of the Club and their family members. May they rest in peace.

My sincere thanks to my team for putting the edition beautifully together and on behalf of the Editorial Board, I would like to thank all fellow members who may have contributed in every possible manner in making the publishing of this bulletin a success.

Finally, a word of appreciation to Fashion Shinder Bollywood for the sponsorship of the advertisement page.

Wishing all Members prosperity and Happy Clubbing!

## LIBRARY

We would like to thank **Mr. Josob Asirvatham (3602)** for his contribution of *The Lives of John Lennon* by Albert Goldman.

**Synopsis:** The result of six years of research and some 1,200 interviews, this book takes fans deep into Lennon's secretive world, from his traumatic childhood to his Beatles days to his hidden life with Yoko Ono. While the Lennon of legend enjoyed a gifted and inspired life, the private Lennon lived in torment, poisoning himself with drugs and self-hatred. *The Lives of John Lennon* exposed for the first time all of his various lives, from idealist to cynic, from ascetic to junkie. It is a lasting tribute to his brilliant achievements and a revelation of the price he paid for them.
